Experience

Administrative Assistant

Orange Tribe | Noida (Remote)

- Optimized Notion workflows and documentation, improving team organization and knowledge management.
- Coordinated 20+ client meetings, scheduling, and stakeholder communication across multiple projects.
- Screened 80+ candidates, managed recruitment outreach, and supported hiring operations.
- Generated invoices and payment receipts using Zoho while maintaining administrative records.
- Created content for LinkedIn and Pinterest to strengthen the company's digital presence.
- Prepared project documentation and implemented process improvements to enhance operational efficiency.

Leadership & Positions of Responsibility

Placement Volunteer

Vellore Institute of Technology, Bhopal

- Selected as 1 of 16 Placement Volunteers from over 423 applicants through a competitive selection process.
- Coordinated Cognizant campus recruitment for 400+ students, managing communication, documentation, and interview logistics.
- Assisted recruiters during placement drives, ensuring smooth execution of recruitment activities.
- Resolved on-ground operational challenges during placement drives.

Student Coordinator

Indian Digital Gaming Society | Vellore Institute of Technology, Bhopal

- Coordinated faculty, industry professionals, volunteers, and students to execute a university-wide gaming event.
- Managed participant communication, scheduling, and event operations across two days.
- Supported workshops and speaker sessions through efficient logistical planning.
- Helped deliver an engaging event experience through seamless coordination.

Projects

FOSSEE (IIT Bombay) Workshop Booking Redesign

UI/UX Case Study

- Evaluated the existing workshop booking experience through a UX audit, identifying friction points in navigation, content discoverability, and user flow.
- Reorganized information architecture and redesigned core booking flows to create a more intuitive experience across desktop and mobile devices.
- Built high-fidelity prototypes in the earlier stages and implemented the redesign while prioritizing accessibility, responsive design and performance improvements.
